

ASEL Agri-Solutions Enterprises Ltd.

For smart and sustainable agribusiness & rural development solutions

MISSION

To empower agricultural enterprises through innovative, sustainable and inclusive solutions that improve productivity, market access and environmental stewardship.

VISION

To be a leading catalyst for sustainable agriculture and rural transformation across Africa.

About Us

Agri-Solutions Enterprises Ltd (ASEL) is a premier East African consultancy firm specializing in agronomy, sustainability initiatives and certification services. We partner with smallholder and estate farmers to boost productivity, meet market standards and promote climate-smart agriculture for rural development and sustainability solutions.

Our Core Services

- Farm Enterprise Capacity Building
- Business Development & Value Chain Consultancy
- Certification & Compliance Training.
(Organic - EOS, NOPS, IAS; Rainforest Alliance-RA; Regenerative Agriculture - RAS; Fairtrade; 4Cs)
- Project Design, Implementation & Monitoring
- Climate Change Adaptation Strategies
- Environmental Assessments & Restoration
- Agri-Innovations & Technology for Food Systems

Our Core Values

- **Sustainability:** We embed long-term thinking in every solution.
- **Integrity:** We uphold ethical standards and transparency.
- **Innovation:** We leverage technology and science for impact.
- **Collaboration:** We thrive through partnerships and shared goals.
- **Excellence:** We deliver quality-driven and results-oriented services.
- **Inclusivity:** We empower smallholders, women, and youth in agriculture.
